## Masjid construction appeal

in memory of the late Shaikul Hadith Moulana  
Zubair ul Hasan RA

**Rahma (Mercy) will be building a Masjid in memory of the late Shaikul Hadith Moulana Zubair ul Hasan RA of Nizamuddin (India). It will be a £50,000 project in a village called Balez in Albania. We are hoping the project will be completed by Eid-ul-adha, InshaAllah.**

## Ameer's Message

All praise is due to Allah, our Creator and Cherisher and abundant salutations upon our beloved Prophet Muhammad (Peace be Upon Him).

The past twelve months have been an exceptional one for Rahma, surpassing even our own very high expectations. We have seen unprecedented growth and reached hugely significant milestones within our work.

Without doubt, the single biggest highlight of the past year has been the successful completion and grand opening of the stunning Rahma Academy. Furthermore, this year marks fifteen years since we first began helping the poor and needy in Kosovo and Albania. I am particularly thrilled to be introducing our special 15 year' report.

To see the Rahma Academy become a reality was an incredibly moving moment. I never for one minute imagined that I'd be part of such an ambitious project or that Rahma would be in such a privileged position.

I'd like to make special mention to my parents, my family, the Rahma team, the volunteers, the generous donors, our structural engineer Yusuf Musa and all those associated with this amazing project as the Academy represents a tremendous achievement for all. Please take time to read this report to see what our vision for the Academy is all about.

We have been especially fortunate to have developed a strong working partnership with the Al Imdaad Foundation and Rahma has benefitted greatly from this relationship.

Looking ahead, Rahma is working on long term projects in other parts of the Balkans such as Bosnia and Serbia as well as supporting the aid effort in Syria and Palestine. Full details can be found in this report.

In closing, I pray to the Almighty Lord that he gives us all sincerity as our beloved Prophet (Peace be Upon) mentions that 'Actions are judged according to the intention'. I also pray for all those who are associated with Rahma that 'may this family remain united and be given the best in this life and the hereafter' - Ameen.

*Sheikh Khalil Patel*

With your support we now sponsor over 600 orphans in Albania, Kosovo & Serbia.

## 30 Orphans in Serbia

For 15 years Rahma has been supporting orphans in Albania and Kosovo. This year we are taking on 30 orphans in Serbia as a new project. We hope to serve more and more countries in the future inshallah.

*"I and the person who cares for an orphan will enter Jannah together like this (holding his forefinger and middle finger together)." Bukhari*

For just £22 a month, you can help provide the most basic needs for an orphan.

## Esmerelda Cili's story in her own words

Dear Rahma donors,

*I greet you with the greeting of the people of Paradise, As-Salamualaykum!*

*My name is Esmeralda. I once lived with my family in harmony with my sister, brother and parents. But, Allah Almighty wanted with His wisdom, to take from us the family leader. It was 2006 and I was the first child and I was only 11 years old. It was a very sad year for us, but with the support of my mother, we managed.*

*At that time, my mother heard from a cousin about Rahma, an organisation that supported orphans. She sent the proper paperwork and Alhamdulillah, it was accepted very quickly.*

*One day, I remember I was returning from school with my sister, brother and some friends. A white car, with some Muslim brothers stopped at our feet and they asked for a name, my name. They came out from the car and I told them that it was me who they were looking for. It was Moulana Khalil & some brothers and imam Jamal. They asked me what I wanted from Rahma; because I was already part of their aid and I told them three times that I did not want anything.*

*Soon, I started to attend the madrassa in Griqan Down & learnt many important things about Islam. I received many awards over the years, along with my sister, Xhesica, so I became popular thanks to Rahma. My life began changing for the better. Rahma started helping me in 2007 and still continues to be an integral part of my life. Being a good student, Rahma helped me with a scholarship of 60 euros per month and I had three wonderful sponsors, they worked together and were part of the Rahma staff. Rahma has supported me many times and has made my dreams come true. Today I work as a teacher and I teach Islam. I wish that in the future, I can support Rahma's projects and I would like to become a volunteer.*

*I really like Rahma's motto "one hope, one vision, one answer". Rahma's vision is always to help others in need. They give hope to people who are lost. They always give a positive response. The message that I give to all those individuals and organizations that support Rahma's projects is to support with full confidence. I want that Rahma be heard everywhere and you support it, because the organisation makes life beautiful for people in need. I am sure Allah(SWT) is pleased with their work & will grant them paradise. AMEEN!*

**Please keep supporting this amazing project for  
£22 a Month**

# Masjid Luqman is the latest masjid built

in an area called Funares. At the opening there were many who prayed Salaat for the very first time. There's a great need for masaaqid in Albania.

Buhkari & Muslim

Funares is a village in the Librazhd District, Elbasan County, mid Albania. Lat/Lon: 41.2819, 20.3000

**To build a Masjid similar to this costs £35,000 only**

# 21 new Madrassahs opened this year 71 Madrassahs in total The very first girls hifz class

There are a lack of people who have memorized the entire qur'aan in this region. For this reason we opened a boy's hifz class last year. The success of which has inspired us to open the very first girls hifz class also this year.

*"Allah makes the way to Jannah easy for him who treads the path in search of knowledge." Muslim*

To encourage students to attend madrassah and to reward them for their hard work, we have an annual prize giving jalsa (presentation) and we take the children out on a picnic.

*"Seeking knowledge is incumbent upon every Muslim!"*  
At-Tabaraani

Each Madrassah costs approximately **£2500 per year to run.**

This money pays for rent, staff wages, uniforms, prizes for students, heating and supplies during the winter months.

# Rahma Academy inauguration

After a total of 4 years of planning, fund raising and construction, with the grace of Allah the Rahma Academy was inaugurated on the 13th of September 2013. We had many guests from across the globe at the opening including our chief guest, Qari Saad Nomani from Medina.

## Rahma Academy School

The Rahma Academy currently houses the Rahma Academy School with 120 students and a capacity of 400. We aim to gradually increase the number of students each year.

Rahma (Mercy) would like to thank all those who helped making this vision a reality.

**KEEP SUPPORTING THIS PROJECT**

# The Academy school features a purpose built modern Science lab, IT labs, a library, dining area and an indoor sports hall.

Rahma's initiative to start the housing project has been a success and to date we have built 6 houses and conducted repair work to others.

It costs £12000 only to build a house similar to this one

## Syria crisis

The crisis in Syria is devastating. Our brothers and sisters are being martyred, imprisoned, tortured and displaced day by day. The Rahma team went to deliver aid to the Syrian refugees who were suffering during the winter months.

### Syria facts

- 150 000+ Killed
- 2000 000 + Refugees
- $\frac{3}{4}$  of refugees are women and children

Over the years Rahma has conducted 'one off' projects in Bihar and Somalia. This year we decided to assist our brothers and sisters in Palestine.

# Bosnia Floods

In May this year (2014), Bosnia saw the worst flooding in over 150 years. Already scarred by the war in 1992-95 where 100 000 people were killed, this disaster has put salt in their wounds. Bosnia is one of the poorest countries in Europe with an average wage of 420 Euros a month. This flood has cost billions of Euros in damages and taken many lives.

Rahma (Mercy) is currently undertaking a clean-up operation. We are appealing for **hygiene packs at £35 per pack** to help families rebuild their lives. Please support this cause.

## SPONSOR A LADIES ISLAMIC CENTER IN BOSNIA

The 'Nahla Centre for Education and Research' has been running for 13 years. The centre educates Bosnian women in all areas of need. It serves over 5000 women annually and provides courses such as:

- School of Holy Qur'an for children
- School of Holy Qur'an for women

Running costs for one year is £6000

## Waterwells

15 waterwells were built in 2013

**DONATE A WATER WELL FOR £1300 ONLY AND GIVE SOMEBODY LIFE**

## Health

One of the most important blessings we have is health. We sometimes do not appreciate the free health care system we have in this country but in other poor countries the destitute are deprived of such a system.

Dr Shakeel Aboo, a dentist from Leicester who visited Albania this year, provided free dental treatment and awareness to the needy. Rahma is deeply grateful to him for donating his time and expertise.

Every Eid – ul –Adha we perform Qurbaani in Albania and Kosovo. The Qurbaani project is so important because Eid is the only time in the year many poor communities in the Balkans get to eat meat. Last year was our most successful Qurbaani appeal as we managed to sacrifice 30 cows (210 shares of Qurbaani).

**Last year (2013) Rahma distributed more than 4000 iftaari food parcels**

*“Whoever feeds a fasting person will have a reward like that of the fasting person, without any reduction in his reward.”*

**The cost of Qurbaani this year is £75 per share and £525 per large animal which equals to 7 shares.**

**£10 to feed a family for 10 days or £30 for the whole month.**

As part of the Schools and Education Project, **one generous donor donated £17,000** for a primary school in an area called Polis, Vila in Albania.

## Islamic Literature

Last year we launched an appeal for book sets for madrasa children. The appeal was a huge success and Alhumdulillah we managed to print 5000 book sets (each set has 5 books). A group of Ulama went for an official book launch and teacher training.

# ZAMZAM WATER

Rahma (Mercy) have set the Zamzam water project up as a non-profit exercise, to bring Zamzam water to the UK Muslim Community.

A donation of £16(\*) will be required, this cost is to cover the cost of importing the water.

According to the hadeeth of Abu Dharr (may Allaah be pleased with him), the Prophet (peace and blessings of Allaah be upon him) said concerning the water of Zamzam, *"It is a blessing, and it is food that satisfies."* (Muslim, 4/1922).

'Aa'ishah (RA) reported that she took Zamzam water home with her in bottles, and said, *"The Messenger of Allaah (peace and blessings of Allaah be upon him) took some of it away with him, and he used to pour it on the sick and give it to them to drink."* (al-Tirmidhi, 4/37)

# CLOTHES BANK

**We have raised over 28k from recycling clothes & shoes**

We have nearly 20 clothing banks across the country Alhumdulillah and this year we managed to raise just over £28k from recycling clothes and shoes. If you would like to know the whereabouts of our clothing banks or would like to assist our charity by putting a clothes bank at your premises, please get in contact with us.

“When I visited Albania last year, I was very happy to see the work Rahma is doing. This work is full of praise and blessings. I was amazed to see that with a small budget Rahma has managed so much including building a beautiful academy. I had the opportunity to visit orphans, listen to children recite Qur’an and for this I would like to congratulate the efforts of the Rahma team. Each member has his own exceptional but unique

quality that makes the Rahma team so brilliant. I would like to request to everybody to support Rahma and its projects.” – **Qari Saad Nomani (Madina)**

“September 2013, I had the privilege to travel with Rahma Mercy to Albania to attend the opening of the Rahma Academy. I was overwhelmed to be amongst other scholars in delivering a speech. Molana Khalil's Rahma Academy will in sha allah reach far and wide by drawing people of Albania closer to Deen like the way the Prophet of Allah (SAW) came to draw the Arab nation closer to tawheed.

This trip was my first ever field experience and one that I will not only cherish but use as an example to follow and convey. This journey provided me with lots of golden opportunities, from helping sweeping the stair cases of the academy to meeting, greeting and delivering food packs and distributing money to orphans and other rightful recipients. I have to mention the fact that I have never seen such dedication, devotion and sincerity from a bunch of men. Molana Khalil has surely trained his team well to be able to feel their work rather than just being another member. May Allah grant him and his team all the tawfeeq and support of the worlds.” - **Moulana Rehan (Iqra TV)**

“For many years we in south Africa had been hearing about the sad plight of our brothers, sisters and children in the Balkans more especially Albania. In March 2013, Hazrat Moulana Khaleel Patel sahib headed an Albanian awareness campaign to South Africa; Alhumdulillah the Al Imdaad Foundation joined hands with Rahma Mercy in an effort to enhance the Islamic & spiritual condition of the people of Albania.

Subsequent to this partnership, Hajee Yacood Vahed the CEO of the Al Imdaad Foundation & I visited Albania in April this year.

After arriving in Elbasan, we had the good fortune of participating in an orphan’s distribution. Meeting and interacting with these orphans re awakened our sense of appreciation to ALLAH SWT for the many boons and favours which he continuously bestows upon us.

Our tears of sadness were replaced by tears of happiness when we visited the Rahma Mercy academy. Words cannot describe our joy on seeing this “Oasis in the desert”. We were amazed at the dedication of the principal and staff. The students were well grounded in their Islaamiyaat. Their recitation of the QURAAN-E KAREEM & duas was very impressive.

The highlight of our visit to the academy or perhaps to Albania was the hifz class. The quality of tajweed & hifz was amazing. This gives us the clear indication that when the effort of deen is made, ALLAH TA’ALA shows us the fruits of it.

We had the good fortune of attending the opening of a masjid in Funares. It was here that our eyes opened to the real plight of the Albanians. With a very heavy heart I need to pen this experience. We arrived at Funares. The masjid stood out & could be seen from a distance. We met an elated community of mainly the elderly. We were utterly amazed that not a single person replied to our Salaam. They had no knowledge about salaam & its reply. Further we had observed that most of them did not know about wudhu and salaah. Having said that, we found that they were keen to learn the Deen & willing to practice upon it.

May Allah Ta’ala accept all the efforts of Rahma Mercy and cause the charity to grow from strength to strength. Ameen” – **Moulana Ahmed Chohan - Al-Imdaad - South Africa**

## Zakaatul – Fitr £3 per person

It is compulsory to pay Zakaatul Fitr for each member of the family as it is a condition of the fasting of Ramadhan (for those with sufficient means). We urge you to send your Zakaatul Fitr (£3 per person) to use for distribution to the poor and needy on the joyous festival of 'Eid.

## Fidya £3 per Fast

Fidya is to feed a poor person for each day that a person cannot fast due to old age or a long term illness. This will be £3 (i.e. £3 multiplied by the number of missed fasts)

## Zakaatul Maal (Zakaat)

Most people choose to pay their Zakaat during Ramadhan. The timely distribution of these funds will ensure that the poor and needy can get relief from their poverty and daily hardship.

## Kaffarah

If a person breaks a fast in Ramadhan without a valid reason, then that person is liable to fast for 2 months continuously without a break in between. If the person cannot fast due to a valid reason, then s/he must feed 60 poor or needy people 2 meals or give them the value of the same (i.e. £3 × 2 meals = £6, £6 × 60 people = £360).

## Masjid Construction & Renovation

A compulsory requirement for the imparting of knowledge and practicing Islam. Each Masjid costs approximately £35,000. Lillah donations only\*

## Madrassahs

The importance and demand for Madrassahs has already been stated. Running costs for each Madrassah is approximately £2,500 per year. Please help us fulfil the children's increasing desire to learn and practice Islam.

## Fresh Water Wells

Help provide clean water and bring relief for many poor and deprived families. The cost of each well is £1,300; and you can donate any amount you like towards this project. Lillah donations only\*

\* Sadaqah Jaariyah - Charity that continues to earn thawaab (rewards) even after death

## Orphan Sponsorship

This provides a vital source of income for extremely poor and needy orphans. Every orphan receives £22 per month and, in most cases, this is the family's only income.

## Iftaari Food Parcels

Food parcels contain essential items such as: salt, sugar, flour, pasta, cooking oil, tea. £10 will provide 10 days of food for a poor family (or £30 for the whole month).
