Ameer's Message

All praise is due to Allah, our Creator and Sustainer and abundant salutations upon our beloved Prophet Muhammad (Peace be Upon Him)

The previous year has been very exciting and very busy for Rahma. It's been almost 2 years now since the inception of the Academy and the progress has been beyond my very own expectations. We've received outstanding reviews from the state government department and the exam results of the students have been exceptional.

The single biggest highlight for me this year has been the progress of the Madaaris. When Rahma began 16 years ago the muslims knew nothing about Islam and a lot of work had to be done. At the time nobody could imagine that a day would come where students at a very young age would be able to recite qur'aan so beautifully. This year also we had our very first hafiz of the qur'an alhumdulillah. I'd like to give special mention to Molana Imran Afzal from Leicester who has migrated to Albania with his family to overlook the madaaris project. I'd also like to give special credit to An Nashihah Publications and Wisdom Publications for making such beautiful books so that the Albanian community can benefit from Islamic books written in their very own language.

This year we have relocated our Batley branch and transformed it into a charity shop as well as a donation point. As we are expanding here in UK, our work abroad is expanding also alhumdulillah. This year we opened our very first madrasa in Serbia and we are looking at Macedonia for the future projects also. Although our main focus is the Balkan region, we cannot ignore the ongoing crisis in Gaza. We have now decided to give continuous support to the Palestinian people.

Rahma has garnered a lot of support from people across the globe. I am grateful to the Shuyookh from Saudi (Qari Usama and Shaykh Saad Nomani) who have visited Albania and have expressed their interest. We have had many volunteers from across UK who have also volunteered their time and efforts for the Rahma cause. In particular, Rahma is indebted to the Al Imdaad Foundation for their continuous help and support towards Rahma projects.

This year we have witnessed many natural disasters around the world. Many lives were lost and homes destroyed. We should take heed from this and turn our attentions to Allah the Almighty. We have been blessed with the month of Ramadhan and we have a fantastic opportunity to change our lives for the better.

As a final point I'd like to make special mention to my parents and my family members who through their love, duas and support I am able to do this work. I am extremely grateful to my teachers and other ulama for their duas, love and wonderful pieces of advice. I am also very grateful for the wonderful team that I have as Rahma has always been a team effort. Behind the scenes there are many people who are doing a wonderful job and contributing in whatever way they can and I am extremely indebted to them. Please take out time to read this report. May the Almighty Allah grant my family, my teachers, Rahma volunteers, donors and everyone associated with Rahma the best in this life and in the hereafter. Ameen

For just **£22 a month**, you
can help provide the most
basic needs for an orphan.

We increased the number of orphans we support in Serbia from 30 to 50.

It's the second year we are working in Serbia in an area called Presheva. The area has a 95% population of Muslims.

We cannot thank you enough for sponsoring us

"They ask you, (O Muhammad), what they shall spend. Say: that which you spend for good (must go) to parents and near kindred and orphans and the needy and the wayfarer. And whatsoever good you do, lo! Allah is Aware of it."
(Al-Baqara - 215)

It's a very sad time for Rahma as one of our orphans passed away earlier this year. May Allah grant him a high status in paradise and grant his family patience.

"...Truly! To Allâh we belong and truly, to Him we shall return." Al-Baqara - 156

Please keep supporting this amazing project for **£22 a Month**

In the past year we managed to build 2 new Mosques.

Masjid Zubair-ul-Hasan (19th Masjid)

Alhumdulillah there are now **20 fully operation Masaajid and Musallas built by Rahma** in Albania and Kosovo.

Masaajid Renovation

Last year we launched a renovation appeal for some of our Masaajid that have been damaged by extreme weather conditions. Alhamdulillah many people responded to the appeal.

The Riyadhul Jannah sisters circle raised funds for the renovation of Masjid Uthman, Qarret, Albania.

Renovation of Masjid Noor, Mengel, Albania

Renovation of Masjid Umar, Teqe, Albania

We still require Lillah/Sadaqah donations to renovate the rest of the Masaajid.

Our first student
became a hafiz ul

The Madrasah project is one of our pioneer projects. We cannot stress highly enough the importance of madaaris and the impact it has on people's lives. Only by witnessing the situation of the Muslims in areas where there are no madaaris, a person can realise the significance.

Our madaaris cater for students from nursery level all the way to high school. We also have special classes for university students.

At present, we are sponsoring 83 Madrasahs. In addition to Albania and Kosovo we managed to open our very **first Madrasah in Serbia** alhumdulillah.

With YOUR HELP by the end of Ramadan 2015 our target is to reach 100 Madrasahs.

Hifz Programme

For the past couple of years the **boys and girls hifz** (memorising the holy Qur'an) classes have been running very successfully Alhumdulillah.

Last year our first student became a hafiz ul Qur'an (Memorised the entire Qur'an).

"Allah makes the way to Jannah easy for him who treads the path in search of knowledge."

In Kosovo, Rahma built an extension to a masjid to be used for Madrassah classes.

Each Madrassah costs approximately **£2500 per year to run.**

Al-Imdaad

Since we signed a MOU (Memorandum of Understanding) with The Al-Imdaad Foundation in March 2013, our relationship has grown from strength to strength alhamdulillah. Al-Imdaad has since taken on the responsibility of 20 Madaaris. More recently, the volunteer wing of Al-Imdaad (Friends of Al-Imdaad) have joined hands with Rahma also to sponsor madaaris.

"In working together there is no limit to what we can all achieve in striving to serve humanity."

May Allah unite all charities for the good of the ummah.

Rahma students deliver fantastic performance at the Annual prize giving Jalsa (presentation ceremony)

In all walks of life people need encouragement, motivation and moral support to progress. To motivate our students we provide all sorts of incentives from taking the children out on a picnic, giving prizes and providing food parcels

We are launching an appeal for 5000 book sets
at £10 a set.

A couple of years ago we launched a new syllabus for the madrassah children in the Albanian language and it proved to be extremely successful alhamdulillah.

The Year 1 and 2 books written by An Nashihah Publications and the Simple Steps in Quraan Reading books by Wisdom publications have run out. We are aiming to launch a revised edition to these books in addition to another 2 books; fiqh book for adults and a book on daily duas and surats.

There are 7 books in each set:

Course book 1, Workbook 1, Course book 2, Workbook 2, Fiqh book, Dua & Surah book and the Arabic Qaida.

September 2015 will see the second year of the Rahma Academy coming to a close.

This year we have seen an unprecedented demand to study at the academy. From 120 students previously we have taken on 61 more students to 181. We had an addition of 2 classes this year (nursery and first year of college). With a capacity of 300 we are gradually increasing the numbers we take on every year focusing on quality rather than quantity.

The academy also provides extra-curricular activities, meetings, presentations and festive programmes such as the Ramadan iftaar programme. Additionally the Academy conducts Islamic quizzes and competitions. We also have a full time hizf class and a madrassa running with over 80 students at the premises.

Academy review by the State Education Department

The "Rahma School" is a brand new school that offers the best facilities in our city. We, the State Education Department want to invest in all our schools as Rahma Mercy did, because it is an inspiration for our plans, but we cannot. We have compared the state exam test with your school and those who arrived at your school with a low average in the first year have successfully competed and achieved better results. This is a fact that shows hard working teachers and high goals were demanded from your team, which is a well composed formula of teaching. We have analysed and evaluated the work done these years and we highly appreciate and guarantee our full support to your school, may it become an elite school, followed as a model sample.

Community letter

For Elbasan city the Rahma Academy is the first investment done for our community and we are proud and grateful for it. When we got the invitation to visit, we were amazed and surprised at the same time. It is a building with all the facilities: labs, conference room, classrooms, library and a nursery. When our children are grown up and have finished their studies, they have an opportunity to be part of the courses held in this wonderful building.

Keep supporting this amazing project

Every year Rahma (Mercy) provides humanitarian aid in a different country outside the Balkan region. In the past we have worked in India, Somalia, Syria and Palestine.

In July 2014 ...after the ground invasion of Gaza we could not ignore the 1777 Palestinian Muslims being killed during the conflict. We could not ignore the orphans who were left without any parents. We could not bear to see our brothers and sisters living under such hardships so we decided to provide aid for a second year in a row.

Palestinian Orphans

In their own words

Rahma (Mercy) also took up the initiative to raise funds for the Hifz sponsorship and health costs for 200 Palestinian orphans. Please support this project.

Ahmed Shaqfa
12 years old

“This sponsorship is thanks to God then you who have provided to me my school needs...I want to be a teacher to give educational service for future generations...I say to my sponsor thank you very much and I pray to Allah to protect you and give you the health and wellness.”

Hanan El Ghora
12 years old

“Without your help I will be out of school...I hope to be a dentist to help other people...I thank you a lot at your helping to me and I ask God to forgive you.”

It costs £300
(£25 a month)
to sponsor a
Palestinian
orphan.

Tasneem
Ferwana
11 years old

“...what makes me happy that your sponsorship helps the Orphan children and gives them a chance to complete their life like the other children...I want to be a religious teacher to teach our great Islamic religion for the kids...Thank you so much and God bless you and please don't forget us from your help.”

Ahmed Elfayomy
11 years old

“I hope to complete my study and this was not available without your support...I was unable to buy a lot of thing such as stationeries but after your kind support, I felt very happy because it gave me the hope of success...I would like to be a math teacher because I like math a lot...”

In May 2014,

Bosnia saw the worst flooding in over 150 years.

Rahma (Mercy) partnered with Al Imdaad and Muslim Aid (Australia) to deliver aid in the affected areas.

We delivered hygiene packs, food and essential items to kick-start them on the way to rebuild their lives.

Through the kind donations of the public, collectively we managed to raise **£34,158.39** for this cause.

Nahla Center

Last year Rahma began to support the Nahla centre for Education and Research.

Your funding assisted the center greatly and many women benefited from the Islamic Education Programme.

Rahma have now decided to support 3 projects from the many projects the Nahla center conducts.

- 1 - IEP (Islamic Education Programme)
- 2 - Muslim Youth Empowerment
- 3 - Tailoring Programme (Provides unemployed women with a tailoring qualification)

Total cost for these programmes is £10 000 for the year. Please donate

The countries in the Balkan area where we work come in the list of the poorest countries in Europe.

There are many Muslims who are in **dire need of our Zakat funds** and require our humanitarian assistance.

Safwan ibn Salim related that the Prophet said: Anyone who looks after and works for a widow and a poor person is like a warrior fighting for Allah's cause, or like a person who fasts during the day and prays all night. (Bukhari)

HEALTH

Dr Shakeel Aboo, a dentist by profession, volunteered his time and efforts once again to revisit Albania and Kosovo.

Dr Shakeel prepared and delivered an amazing and fun oral hygiene presentation at the Rahma Academy for the students emphasizing the importance of oral hygiene. He also handed out oral hygiene packs to all the students and staff.

The Prophet (SAW) mounted the pulpit, then wept and said, "Ask Allah (swt) for forgiveness and health, for after being granted certainty, one is given nothing better than health." Tirmidhi

My recent visit to Albania alongside Rahma was indeed a memorable one. Albania is a country that has had an eventful history, hence abject poverty and lack of basic services is rife. I was truly impressed by the noble initiatives, projects and humanitarian work carried out by Rahma. The organization has taken prudent steps to help empower the youth with education, both secular and Islamic. Through Rahma, many are now learning the basic tenets of Islam. I was so touched to find that Rahma headed by M Khalil Patel, has played such an important role in preserving the Quranic recitation, understanding and divine teachings. The Madrassah system initiated by Rahma is certainly a spiritual life line to so many communities. Many individuals, families and communities have been spiritually

protected through Rahma's activities in Albania. It's of imperative importance that this noble project continues to be strengthened so that a new generation of practicing Muslims become the norm. Visiting the rural areas and towns of Albania with the Rahma team has given me a deep insight into high levels of poverty in Albania. Once again, Rahma's social welfare is making a positive difference to so many poor and impoverished families. May Rahma grow from strength to strength and spread its activities of mercy, compassion and humanity, all over the Balkans.

Qari Ziyaad Patel - Al Imdaad Foundation (South Africa)

Alhamdulillah, I was fortunate to have been blessed with an opportunity to visit the beautiful country of Albania during November of 2014. When the idea was proposed to me of visiting Albania, I was completely ignorant of anything regarding the country. I had no idea of what to expect, however, what a wonderful surprise awaited me. Upon arrival, I was struck by the extreme beauty of the place and an even greater surprise was for me to be informed that the Albanian population was made up of 80% Muslims. The heart breaking stories of the elderly citizens who underwent severe conditions, sacrifices and difficulties under communist rule were extremely sad. During my trip, there were 2

outstanding qualities of the Albanian people that stood out for me the most- their overwhelming hospitality and thirst for knowledge. Regarding the 1st, we were invited to the homes of almost every person that we met, regardless as to whether the person was rich or poor. As for the 2nd quality, I was blown away by the thirst for knowledge of both adults and children alike and the way they participated in jalsas etc. with complete heart and soul- something I have not found at home in South Africa. Finally, I was and continue to be amazed at the tremendous work that Rahma has undertaken towards the people of Albania. I'm absolutely inspired, awed and humbled by the dedication and humility of Moulana Khalil. The sheer scale of what he has accomplished over the past sixteen years is remarkable. The fact that that we have only just become aware of his achievements is an indication of his level of sincerity. Friends of Al Imdaad are greatly honoured to partner with Rahma in the re-establishment of Islam and assisting the Muslims of Albania. A heartfelt jazakallah to every single person who contributed towards us enjoying an absolutely wonderful stay in Albania.

Molana Mohammed Motala - Friends of Al Imdaad (Durban)

All praise is due to Allah the Almighty and abundant salutations upon the Prophet of Allah (s.a.w.), his pure family and his noble companions until the day of judgement. I was invited to Albania by MKhalil Patel and Shaykh Jamal Duka in the month of Zul Hijjah 1435 AH. I am grateful to Allah swt who enabled me to visit the Rahma projects in Albania. Although my trip was very brief, I was able to witness many of their projects. Primarily I visited their project in the field of education (Islamic and secular) in addition to the memorization of the Qur'an. I witnessed that the Islamic upbringing of the children is exercised with a lot of wisdom and foresight. Rahma also builds masjids and schools and provides support in the field of health for the benefit of orphans, poor and the needy. It gave me a lot of pleasure for what I saw. I have also experienced their hospitality and their sincere love first hand and all this they do for the pleasure of Allah. From the depth of my heart I make dua that Allah swt repay them abundantly for their efforts and give them the strength and ability to do more. May Allah also give me the ability to assist them in their noble efforts.

Zakaatul – Fitr £3 per person

It is compulsory to pay Zakaatul Fitr for each member of the family as it is a condition of the fasting of Ramadhan (for those with sufficient means).
