MESSAGE FROM THE CEO

Assalaamu Alaikum Wa Rahmatullahi Wa Barakatuhu

My dear respected brothers and sisters, I pray this reaches you in the best of health and imaan. First and foremost I would like to thank you for all your generous donations and your ongoing support, without you this would not have been possible.

This story began when myself and a group of men embarked on a journey over two decades ago to Albania where Islam was barely recognised. The communist regime had banished Islam leaving no masjid, nothing visible that echoed this beautiful religion. Can you imagine the pain and suffering these people went through knowing vaguely that they are muslims yet not knowing how to practice upon it. A far cry to where Albania was and where it is today but still a long way to go. We now have 29 masjid and the foundation of the 30th and 31st have been laid, a well established academy, over 200 madrasahs and hizf classes.

The pandemic has had a profound effect on the communities who rely on us for aid and support. Despite these challenges, we at Rahma were able to provide food aid and blankets to even more families. Last year we opened 3 masjid in

the Balkans, 20 madrasahs including 5 in Macedonia and laid the foundation for the late Mufti Ebrahim Desai Centre. This would not have been possible without your generous donations.

What makes our charity different is that we have kept our focus in the Balkans, not only do we support the poor and needy, but we have expanded our development initiatives including school facilities, madrasahs and giving da'wah to our brother and sisters. We have helped in livelihood initiatives and empowering campaigns. Last year alone we took three different groups, where one of our eldest participants, the most adorable Aisha Nani of 93 years of age also visited. They were able to see first hand where their donations have been spent and the work we do. They were able to deliver food aid to the poor and needy and meet the orphans, widows and visit our ongoing projects.

In the short term at Rahma, we hope to open our Institute which will have the first girls Darul Uloom, a unique project and one of its kind by September 2023, open many more masjid further south of Albania and neighbouring countries.

We also plan to take more groups so they can witness our work. Our common goal is to make their lives better for the poor and needy and to spread the deen far and wide in the Balkans.

I owe a debt of gratitude to all our partners whose constant support has helped to bring our vision alive and help achieve our mission to revive Islam in the Balkans.

To conclude, I thank the Almighty Creator who has made all this possible and giving us an opportunity to serve the deen in this part of the world. May He accept all our efforts, hardwork and most importantly your generous donations. I would also like to thank my team here in the UK and in the Balkans, through their hard work and dedication they have made Rahma the success it is today. Lastly I am truly grateful for the prayers of my teachers, parents and family who have been my strength through this on going journey.

RAHMA ORPHAN PROJECT

Care for an Orphan and be close to the Prophet (PBUH).

Losing a father can mean that children who already come from disadvantaged backgrounds fall further into poverty. Not only has a child lost the love and guidance from a leading household figure, but access to education, the protection of shelter, the sustenance of nutritious meals and the chance for a secure future all become a hopeless dream.

The Prophet (PBUH) has taught us that not only is it our responsibility to care for orphans, but that this act is a form of worship that can help us to achieve Jannah – surely the highest ambition of any believer.

The Prophet (PBUH) said: 'The one who cares for an orphan and myself will be together in Paradise like this', and he (PBUH) held his two fingers together to illustrate. [Bukhari]

The Orphan Sponsorship is one of our pioneering projects which began with 50 children in 1999. In the two decades since then, Rahma Mercy has continued to support many children spread across Albania, Kosovo, Serbia and Macedonia. In 2021, your kind donations enabled us to secure sponsorships for over 1000 orphans.

You can sponsor an Orphan for only £25 per month or £300 for one year which is as little as £0.82 per day.

Each orphan in our care is given food and hygiene essentials, winter aid and school essentials equivalent to £25. Every 12 months, you as a donor, will be sent out a personalised report of the child you sponsor which will keep you updated on their progress.

ACTION AGAINST HUNGER

'The best of you are those who feed others' [Ahmad]

During the communist era the Albanian community fell deep into poverty and despair. In a population of 2.9 million, a quarter in the Balkan region are now currently below the poverty threshold. This means the average family struggles to meet basic needs such as food, water and shelter. In addition to this, the recent global pandemic and the economic slowdown has meant that families already living under difficult conditions are now pushed further into poverty.

By providing food aid, Rahma Mercy wants to ensure that vulnerable groups (including women and children) do not fall victim to malnutrition and that no-one is left hungry.

We are actively working throughout the year delivering aid to impoverished families. One of our main avenues in food aid delivery is the food pack distribution. Last year alone we delivered 15,000 food packs. During the month of Ramadan we delivered 3,000 food packs alone. Our target for Ramadhan 2022 is to deliver 5,000 food packs.

Each pack contains essential food items such as cooking oil, flour, pasta, rice, sugar, salt, lentils and juice. These basic necessities will enable a family of four to cook daily meals for a month.

During Ramadan, many vulnerable families in the Balkans worry about whether they will have enough food to eat or anything at all when the sun goes down for Iftar.

The Messenger (PBUH) spoke highly of the virtues of feeding the fasting, saying: "Whoever feeds the person who is breaking his fast, he will have his reward (for his fasting) without decreasing anything from the reward of the fasting person." [Tirmidhi].

Donate a food pack for only £35 to feed a family of four for a whole month.

With your generous donations, Rahma Mercy delivered 3,000 food packs last Ramadan. The target for Ramadan 2022 is 5,000 food packs. Donate to help us exceed this target!

WATER WELL PROJECT

Building water wells is a significant step to Rahma Mercy's community development approach in empowering people to live their best life. By providing fresh water we have helped to improve the conditions of people within the Balkan region. Over the last two decades, Rahma Mercy has built more than 220 water wells across the Balkans.

198 of our water wells have been built in Albania. 18 have been built in Kosovo, 3 in Serbia and 1 in Macedonia.

Our field team works hard to ensure they carry out a 'needs assessment' to identify areas that are most vulnerable ensuring your water well is built in a location which is most in need and easily accessible by as many people as possible.

You can build a water well in your name or the name of a loved one who has passed away. This can be a means of sadaqah jariyah for them and for you with every single drop of water counting as continuous, perpetual reward.

The price of each water well is £1,300. Rahma Mercy will also present a plaque at the site which can include a message on your behalf.

MASJID CONSTRUCTION

During Albania's communist rule, masjid were forced to close down with religious practices being banned. As of 1991, only two masjid in Tirana were fit for use by worshippers.

The need for a masjid, the heart of any local Muslim community, has never been so dire. As a consequence of the communist regime and its legacy of persecution through the ban of practising any faith, the communities in Albania have been left with minimal to almost no knowledge of Islam. Building a masjid can effectively re-sanctify communities allowing people to come together to learn more about Islam, nurture spiritual and moral development and most importantly, unite together in worship to the Almighty. As a result, a masjid will promote community cohesion and will build a strong sense of togetherness.

This year, our donors facilitated the building of 3 new masjid in Albania, two of which were built in memory of a loved one who had passed away. Over the years, Rahma Mercy have built 29 masjid in total with every masjid being a symbol of hope in reviving Islam in the Balkans.

Our Prophet (PBUH) said, 'Whoever constructs a masjid for Allah, Allah will construct a house for him in Paradise'. (Bukhari).

You can build your own legacy and open the doors to sadaqah jariyah by donating towards building a masjid. With every salah prayed, every dua whispered, every verse of Quran recited within the walls of the masjid, it will be a means of ongoing reward for you or a loved one who has passed away.

Prices start from £70,000 with the masjid being built in the locality of rural Albania.

MUFTI EBRAHIM DESAI CENTRE

The late Mufti Ebrahim Desai, an influential prominent grand mufti of our era who passed away on 15th July 2021.

Mufti Ebrahim Desai was a huge personal inspiration to me. I often sought advice and counsel through him based on his wealth of knowledge. I have fond memories sitting with him in South Africa for dhikr after fajr salah regularly. He was such a person that if you were to meet him, you would be in awe of his knowledge. Mufti Ebrahim Desai's passing has caused me immense sorrow and for this reason I have pledged to build the Mufti Ebrahim Desai Centre in his name as a sadaqah jariyah project.

Moulana Khalil

Mufti Ebrahim Desai had achieved numerous accomplishments during his lifetime that are evident today throughout the world. He was a prominent and world-renowned scholar who had been issuing fatwas in various fields for more than 25 years. He used to run the Darul Iftaa Mahmudiyyah in Sherwood, Durban – South Africa where he trained students to become muftis.

Mufti Ebrahim Desai was a source of immeasurable support for Rahma Mercy, and it was through him the charity was introduced to South Africa. There had never been a time where he had not influenced vital decisions for Rahma Mercy.

The Mufti Ebrahim Desai Centre is a £100,000 project to establish a great centre of education and learning.

The project is currently situated in the Municipality of Librazhd, Albania. The centre is proposed to include:

Musalla – a place of worship where the muslim community in Albania can come together in worship and devotion to Allah swt and increase spirituality.

Madrasa – to ignite and revive our future generations in achieving their full potential.

Library – a one stop source of knowledge for people from the locality and beyond.

May Allah accept this humble and heartfelt initiative in memory of Mufti Ebrahim Desai (may Allah be pleased with him). He will be missed very dearly whilst our lives feel empty. Very few can take his place.

QURBANI WITH RAHMA

Following in the footsteps of our beloved Prophet Ibrahim (Alayhis-salaam)

“Neither their flesh reaches the Almighty nor their blood, but it is your piety that reaches Him”

Quran 22:37.

Qurbani means ‘sacrifice’. Just as the Prophet Ibrahim (A.S.) sacrificed a ram in obedience to the Almighty, we follow this sunnah to show our dedication to demonstrate our commitment to our faith.

Many in the communities within Albania cannot afford to purchase meat throughout the year, this is often a very rare occurrence. Your Qurbani will truly aid in making Eid-Ul-Adha extra special by helping poverty stricken families put a hearty meal on the table.

Our team in Albania and Kosovo purchase all animals locally, thereby supporting farmers and boosting local economies which have been hard hit by the pandemic, drastic aid cuts, soaring food prices and prolonged conflict. Your Qurbani is vital to bringing hope to those who are suffering.

You can choose to have your Qurbani in Albania for £85 or Kosovo for £105 per share which is the equivalent of one sheep. The practice is carried out adhering to strict shariah guidelines ensuring no compromise is made on the quality and delivery of your Qurbani. Your sacrifice will ensure suffering families will be able to share the joy and celebration of Eid Ul Adha

THE RAHMA INSTITUTE.

Pillars of faith in the Albanian community

Education has been at the heart of our charity over the past 22 years. With the success of the Rahma Academy, a landmark project that was launched in 2013, we decided to expand further in order to facilitate the high demand for a multi-functional educational complex – **The Rahma Institute**.

The Rahma Institute will host facilities to benefit children and help them to thrive in an all round holistic environment by providing both Islamic and secular education. In order to live up to its multi-functional purpose, the Rahma Institute will consist of:

- Dormitories for up to 200 girls
- Classrooms
- Prayer Room
- Communal area
- Kitchen & Dining Area
- Outdoor sports facility
- Library
- Playground
- Administration offices
- Health Clinic
- Retail block

Rahma Mercy held two fundraising dinners in January 2022 and raised over £150,000 for this project in total. This has helped to aid the construction which is still currently in phase 1. However, further funding is still required to continue construction work. This £6 million project will provide children with the opportunity to break free of the poverty they face for generations to come.

MADRASAH SUPPORT.

After over 40 years of communism, Islam had almost been wiped out and as a result left a whole generation of Muslims without the required knowledge to practice their faith. The Madrasah project ensures that we are able to revive Islam in the Balkans and enable the Muslims to regain their identity and practice their faith again.

Our first Madrasah was opened in 1999 and has continued to grow in numbers ever since across the Balkan region. To date, we have 205 Madrasah's (140 in Albania, 60 in Kosovo and 5 in Macedonia), teaching more than 5000 students. Every Madrasah has on average 25 students, young and old, studying Quran, Tajweed and Fiqh.

For only £12.50 per month you can support a madrasah student by ensuring hard working teachers are paid, that the rent of the facilities are covered and that students are equipped with the correct clothing (either a scarf or a topi). Each madrasah is also given a monthly allowance that can be used towards organising activities, excursions, or social gatherings upon the discretion of the teacher.

To sponsor a madrasah class, it costs £210 per month. This includes the teachers wage, rent of the facility, uniforms, food packs (which are given out monthly to students on full attendance) and any other additional expenses such as heating, maintenance of facility/building and furnishings (desks, whiteboards etc).

HIFZ | MUALLIMAH | IMAM COURSE

Preserve our Islamic heritage. The teachings of Islam are a gift which allow mankind to flourish.

“The best among you is the one who learns the Qur’an and teaches it” [Bukhari].

What could be more empowering than gifting the disadvantaged with the opportunity to memorise the Qur’an by heart?

The Rahma Mercy Hifz student sponsorship provides daily classes for students to learn and memorise the Qur’an and includes teacher wages, rent of the facilities, accommodation and food costs (for boarding students). Some students require boarding facilities as they come from other cities to study at Rahma School which is located in Elbasan.

On average, it can take several years for a student to complete their studies, and throughout the duration of the scheme, our donors are given annual achievement feedback on the student’s progress. Last year, approximately 100 hifz students were sponsored in both Kosovo and Albania with seven students completing their Hifz-ul-Quran.

Additionally, with your help and donations a further 10 Muallimah and 10 Imam students were supported with sponsorships for a whole year.

You can support a Hifz, Muallimah or an Imam student for as little as £25 per month. Your sponsorship will ensure the preservation of our Islamic heritage which holds so much power and truth. Such a deed holds immense perpetual rewards.

Alternatively, you can also sponsor a boarding Hifz, Muallimah or Imam student for £100 per month which will cover the additional expense of accommodation and nutritious daily meals.

ISLAMIC LITERATURE

'Acquire knowledge and impart it to the people'. [Timidhi].

In 2013 Rahma Mercy launched a tailored syllabus in partnership with An Nasihah Publications to ensure that no student in our Madrasah system was left without access to the basic information required to study Islam. These books were first published by An Nasihah in Albania, and after receiving positive feedback from the students and teachers, they have since produced the syllabus in various languages, including English and are now being used throughout the world.

Donating £20 towards a madrasah book set will reap ongoing rewards. Not only will you be helping to educate a child, but your donation is an investment which will grow in the form of sadaqah jariyah.

During 1947 and 1999 when religion was outlawed in Albania, orders were given for Qurans and Islamic literature to be burnt. In effect, this led to the diminishing of Islamic principles, knowledge and faith.

The Holy Quran is in short supply, especially in rural areas and Masjids. DonateQuran.com and Rahma Mercy have had a long term partnership in distributing Qurans translated in the Albanian language to the people of the Balkans. Your generosity will be a continuous, flowing and ongoing charity.

For just £3.00 per Quran, you can ensure the mighty words of the Almighty reach those who have had to compromise on their deen during the communist rule.

Help the people in the Balkan region to hang onto the rope of Islam by gifting them a Quran and thereby effectively enabling them to re-establish their connection with their faith.

BOSNIA AND HERZEGOVINIA

Female Empowerment - helping women realise their self worth and their their contribution to social change

Rahma Mercy has been supporting the Nahla Centre for Education and Research to help clarify the negative perceptions of Islam within the society in Bosnia and Herzegovina and to empower women for many years.

Through your support we were again able to fund the education of 150 beneficiaries to enable them to study various Islamic Disciplines and cover the basic and advanced teachings of these areas. This has helped many women in the understanding of their faith and how they can positively impact their society along with helping them to advance their research.

Help us to empower our beneficiaries by donating £60 per student for the course fees of an entire year.

VISIT ALBANIA WITH RAHMA

A wholehearted wholesome experience visiting our charity projects first hand on the ground!

As a charity, we like to assure our donors and supporters that their funds are being used for the intended causes. One of the ways that we do this is by organising group visits to Albania so that you can see the results of your contributions.

Along with us, you can personally experience distributing aid to those in need and see the projects we have been working on over years. You will be able to overlook our construction projects, attend masjid opening ceremonies, meet our sponsored orphans, distribute food packs in the most remote locations, listen to our madrasah students recite and so much more.

As a charity, we like to take groups on visits at least four times a year. We try our upmost best to schedule visits over the school holiday period.

To register your interest or if you have further questions, please give us a call at the Rahma Mercy head office on: 0116 251 6959.

CHARITY BEGINS AT HOME

An insight into our local projects...

Rahma Mercy formed a partnership on the 8th of October 2021 with Wesley Hall Food Bank (Hartington Road - Leicester) and are helping by donating a monthly cash donation of £250.

In 2020, food poverty hit new heights, after the coronavirus pandemic caused thousands of people to lose their jobs or significant income. Families who were already struggling became even more vulnerable. Meanwhile, people who were living comfortably are now relying on food banks to eat.

Every Monday and Friday, hundreds of families queue at the Wesley Hall Food Bank desperate for food parcels to feed their families. We pray our initiative will help ease the struggle so many people face in our community today.

Wesley Hall are also open to food donations from the community. Contact them on 0116 262 6000 to find out how you can help.

Over the past year, Rahma Mercy has been supporting prisons throughout the UK.

Rahma Mercy have been providing books that contain basic teachings of Islam and Quran for the Albanian speaking community.

We are looking to further our work and hope to provide support by having our own Albanian speaking 'Ulama to deliver lectures and supports the rehabilitation process of the inmates.

A TRIBUTE – IDRIS SULEMAN TUTLA

Idris bhai's passing has been a huge loss for the team at Rahma Mercy...

Late Idris Bhai was a trustee member of Rahma Mercy for over 10 years. He was someone who always had many health conditions but never made apparent his pain and suffering. During his time he made great sacrifices for the cause of Rahma. The charity is one he had always held very close to his heart. Idris bhai always had a smile on his face and will always be remembered in this way.

Rahma Mercy would not be where it is today without the help and support of Idris Bhai. He supported Moulana Khalil on many television shows from the likes of Iqra TV to Islam channel. Anyone who knew Idris bhai would know he loved his food, we pray that the Almighty blesses him with the fruits of Jannah. Ameen.

Idris Bhai's passing has been a huge loss for Rahma Mercy, his dedication and legacy has inspired many. We pray the Almighty elevates his station among those who are guided and rewards him with sadaqah jariyah for his work and dedication towards every charity project in which he took part.
